BY WARWICK JAMES PRICE.

Cardinal Sanminiatelli.

Aged 92—General S. G. French, nestor of the officers of the of coluited to its manifold labors. One to has kept record of such events mblied to its manifold labors. One to has kept record of such events less that 150 deaths (of those property to be held "notable") is a safe senge, if the words may be used in its connection. The now-closing also manth has been called uses is connection. The now-closing is connection. The now-closing its month has been called upon to make 249 such, surely a thinning of

raicle 249 such, surely a thanhald of the world's worker,s bringte raiks of the world's worker,s bringte raicus realization of loss sustained well as strengthening memories of stellered nobly.

To single out from these now enmiled "with the mighty dead" a few mile well done is to challenge met as standing most strikingly for met work well done is to challenge indant criticism in behalf of some not a meinded, but braving this, what a uladid list, judged by highest achievement, is offered by the following—
gants all.'

salts all."

Britain. (Died. May: actuat 62.)—

He reigned for nine years only, but he left a mark upon the world that time will not colliterate. When he came to power. Europe was fro-foundly and bitterly allenated from his country; today, thanks to his efforts, we enjoy the good will of every nation in the world.—Lord Reselects.

his country, the good will of efferts, we enjoy the good will of every nation in the world.—Lord Roseberry.

In Leo Tolstoi: Philosopher and navelist. (Died, November aetat it).—Tourseniev once advised him to stick to his writing and forget his theories of conduct, but it is a mistake to consider Tolstoi the man and the creative artist as two separate entities. Who attempts to divorce art and life makes a grave error. He was a great and good man; perhaps the greatest and best.—W. D. Howells.

gene Nightingale: "The Angel of the Crimea." (Died August; aetat Spil—Courage, single-mindedness, and a capacity for organization and command unequaled among her sex set her on a plane of her own. She was the most illustrious, as she was the best beloved, of Englishwomen. The story of her work at Scutari is her title to an immortal memory in the affections of her countrymen.—St. Leo Strachey.

of her countrymen.—St. Leo Strachey. Testience Biornson: Poet, Novelist, pairiot. (Died, April, actat \$7.)—His work as litterateur would have brought him insting fame, without other aid, but we cannot but hold it as of a greater glory to his memory that the mere mention of his name has long been and will long continue to be) both an inspiration and an example.—Lordon Times.

2 LeFarge: Artist and Author. (Died, November, actat 75.)—For a generation he has been the most sallent artistic personality in America. In culture no artist since the Remaissance has surpassed him. His books carried where his finely modulated voice could not reach, and had he painted nothing, had he never made his beautiful inventions in stain-glass he would still be remembered as an aesthete and a moralist.—Paul Elmer More. Set Koch. Physician and Bacteriologist. (Died, March, actat 67.)—In what the scientific world expected was to prove his most lasting claim to renown he blundered, as all ploneers may blunder, and yet one must rank him with Harvey and Howe: Philanthropist and Writer. (Died, October; actat 91.)

Medical Journal.

Ward Howe: Philanthropist and Writer. (Died. October: netat 91.)

She was poet and patrlot, lover of letters and learning, the advocate for over half a century of all sreat causes in human liberty, and the sincere friend of all that makes for the elevation and enrichment of womanhood. Her "Battle Hymn" quickened in the nation the imperishable faith in the final triumph of God's right.—L. Clark Seelye.

perishable faith in the final triimph of God's right—1. Clark
Seelye.

than Frentiss Dolliver: Statesman.
Clied, October: actat 52.)—He was
a Republican of the school of Lincoln. He scorned to do injustice
to the wealthy: yet he steadfastly
stove to bring about conditions
which should be in the interests of
the plain people and make this
country an economical and industrial no less than a political,
demecracy. He was a bigh-minded
patriot and public servant—Theodore Roosevelt
